# PROCESS FLOW CHART

```
graph LR; A[RAW MATERIAL] --> B[CUTTING AS PER PLAN]; B --> C[TACKING PROCESS]; C --> D[SAW WELDING]; D --> E[PARTS FITTING]; E --> F[FINISHING]; F --> G[SAND BLASTING]; G --> H[SAND BLASTING]; H --> I[PAINTING]; I --> J[SAFELY DISPATCH]; J --> K[ON TIME DELIVERY]; K --> L[LOADING];
```

The chart consists of 12 dark blue chevron-shaped boxes with orange borders, arranged in a zig-zag pattern across four rows. The first row contains three boxes pointing right, the second row contains three boxes pointing left, the third row contains three boxes pointing right, and the fourth row contains three boxes pointing left. The sequence of steps is: RAW MATERIAL, CUTTING AS PER PLAN, TACKING PROCESS, SAW WELDING, PARTS FITTING, FINISHING, SAND BLASTING, SAND BLASTING, PAINTING, SAFELY DISPATCH, ON TIME DELIVERY, and LOADING.
